# Administration, Faculty, & Staff

To the Class of 2004:

Congratulations Class of 2004! As your Superintendent, I have been immensely impressed with all of your accomplishments both inside and outside of the classroom. You have all grown to become mature, responsible, and socially conscientious young men and women. I am certain that your education in the Dighton-Rehoboth Regional School District has fully prepared you for the many challenges and opportunities that await you.

Best wishes for a productive and fulfilling future!

Dr. Francis J. Connor  
Superintendent of Schools

To the Class of 2004:

Congratulations on having attained the right and privilege of calling yourself a D-R graduate. You have joined the ranks of those whose most formative years, the years that set the direction for the rest of their lives, were spent at this fine school.

You have the knowledge, the skill, the sensitivity, and the social responsibility to become contributing members in your communities and life long learners.

Best of luck to all of you and continue to make us proud.

Mr. Trent R. Danella  
Principal

To the Class of 2004:

Best wishes to each of you. As you leave Dighton-Rehoboth, you will face many challenges in life. Hopefully you will be able to face the ups and downs of life with what you have learned here.

I hope that you will look back on your years here with fondness. I certainly have enjoyed being a part of your lives.

Mr. Paul Giannakoulis  
Assistant Principal

To the Class of 2004:

Congratulations and well done! Four years of high school have gone by quickly, you have all grown a lot, and I am sure that most of you are anxious to move on to the next stage of your life. Well, I wish you all the best, am confident that you have all been well-prepared, and have no doubt that you can all be successful. Good luck and don't forget us!

Mr. Jose Libano  
Assistant Principal

To the Class of 2004:

Over the past four years it has been our responsibility to provide you with "the knowledge, skills, sensitivity, and social responsibility to be contributing citizens and life long learners." That is what our mission statement says that we do and that is what I believe we have done to the best of our ability. However, you will discover very quickly that your education is incomplete. Whether you are continuing with your education at a post secondary institution, enlisting in a branch of the military, or entering the work force, you will need to continue with the learning process. It is a life long process. I wish you continued success in all that you undertake. Best wishes for a successful future.

Mr. F. Leon Sibielski  
Director of Guidance

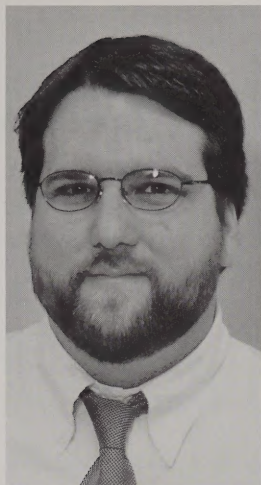

To the Class of 2004:

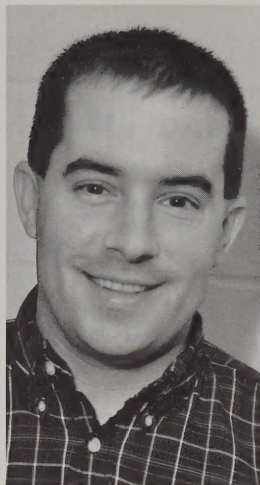

Congratulations to the class of 2004. You should be proud of reaching the end of your high school journey. However, it is the beginning of a new phase of your educational life. Whether going on to college, technical training, military service, or work, you will continue to learn and grow. Independence is on your horizon along with more responsibility as you leave your high school years behind. As you begin to work toward your next set of goals, remember to take time to reflect back on your accomplishments and enjoy life. I wish you the best of everything in the future.

10/28/86. Stace. Even though the "Big Blue Boat" didn't park "in the lines" and we never made Corey's money making High Score List, it was a great year with too many tardies, broken pocketbooks, car accidents, and our inside jokes of hair pieces. Even though our memories will fade, our friendships will always be strong.

# In Loving Memory...

*If tears could build a stairway,  
And memories were a lane,  
We would walk right up to heaven  
And bring you back again.  
No farewell words were spoken,  
No time to say goodbye.  
You were gone before we knew it,  
And only God knows why.  
Our hearts still ache in sadness,  
And secret tears still flow,  
What it meant to lose you  
No one can ever know.  
But now we know you want us  
To mourn for you no more,  
To remember all the happy times,  
Life still has much in store.  
Since you'll never be forgotten,  
We pledge to you today  
A hallowed place within our hearts,  
Is where you'll always stay.*

# Mock Trial

In Mock Trial, teams are presented with a case. The team then works on either the defense or the plaintiff side, and tries the case in a competition against other schools. Each team is scored on their ability to present the case.

This year was D-R's first year with a Mock Trial team. We needed to win two out of three cases to go on to regionals, but we only won one. With a year of experience behind us, we anticipate a great season next year.

# French Club

The French Club meets about once a month. Meetings are informal get-togethers where students may be playing word games like Scrabble or Pictionary. This year, some members attended a French play and viewed French movies at the Cable Car Theater at the RISD auditorium in Providence. A delightful evening including French food prepared by the students and a French film "Amelie," was part of the fall activities. In the spring, the students took a trip to the Boston MFA to view a special exhibit of Gauguin's work.

In addition to continued fundraising efforts for the St. Jude Children's Research Hospital, the chapter sponsored the peer tutoring program, which involved more than 50 members of NHS, and also served as corridor guides during parent-teacher nights. The group sponsored the annual Remembrance Walk in the fall, and saw its Honor Bowl team enjoy another successful season in the South Coast Conference, scoring impressive victories over New Bedford Vocational, Bourne, and Seekonk. President Carolyn Chmielewski, Vice President Tara Scanlon, Secretary Elliot Gillerman, and Treasurer Ryan Buckley helped lead the chapter induction ceremonies in the fall at which the junior class was inducted. In all, the year was highly successful for the chapter charged with carrying on the strong tradition of scholarship, service, leadership and character.

## Season Summary

The DR Girls' Soccer Team had another successful and rewarding season as they captured their 6th consecutive SCC title with a 14-0-0 conference record. The only regular season loss was to Plymouth North (2-0). The girls experienced a frustrating and disappointing loss to King Phillip in the 1st round of the tournament (2-1 on penalty kicks). Again this year they had a strong group of seniors who set a positive example both on and off the field. Their maturity along with their soccer talents provided an exemplary model for the younger players.

For the first time in D-R history, the Falcons are South Coast Conference boys' basketball champions! Surprising everyone, DR finished with a 13-3 league record to earn a co-championship with Case. The achievement is even more remarkable as one of the Falcon's all-SCC selection, Brad Koneski, missed 17 games due to injury. Brian Torres, another all-SCC selection, had an MVP season averaging 18 points and 9 rebounds a game. Tim Pacheco (8 point 9 reb. per game) and Ross Pemmerl (6 points 5 assists per game) received Honorable Mention. The season's highlights include two victories over co-champion Case as well as a win over pre-season favorite Bourne and two victories over a talented Apponequet squad.

# A Final Word From the Editor...

To the Class of 2004,

By the time anyone will read this letter, it will be the end of August and everyone will be about to move on, if they have not done so already, to a new stage in their lives. Whether it is attending college, serving in the military, or entering the work force, each one of our lives will soon change drastically. We will no longer awake early five days a week to sit through classes for six hours, receiving only a mere twenty-five minute break midday for lunch. The amount of freedom that we are soon to receive will be a shock to all of us, and the dozens of decisions we will face alone each day are sure to be overwhelming.

I will not proceed to give you the cliched advice that I know you do not want to hear. We have all already heard hundreds of times to "be yourself" and to "live life to the fullest." I am, however, encouraging you to try something new. With the changes we are already being forced to go through, trying new things will not be that difficult. Whether it is simply eating sushi for the first time or going all out and deciding to take a student trip to Japan, expand your horizons. Not everyone in the world is just like you and not every country is the same as our own. Embrace change.

Finally, remember the past. Although high school may not have been "the best four years of your life," do not shut it out of your mind forever. As much as you may try not to think so, there had to have been some things that you actually did enjoy. Whether it was getting to spend two hours outside while police searched the school for explosives or missing a math test due to a fire alarm, DR did have its perks. I mean, where else can you get a giant cookie for \$0.35?

I would now like to thank all of the faculty and administration for putting up with us for four years. To Mr. G.- you were great. On behalf of the Class of 2004, I would like to wish you a happy and restful retirement. To all of the other retiring teachers - congratulations and thank you for your efforts throughout the years. To Mr. Harwood, the yearbook advisor- thank you for putting so much effort into the production of the yearbooks throughout the years. Your dedication will be missed. To the rest of the yearbook staff- thank you for always being there when help was needed. Period 2 on F day will never be the same.

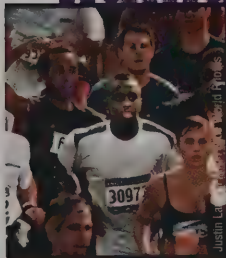

Good Luck, Class of 2004!

Sincerely,

Caroline McKeon, Editor-in-Chief
